

FINISHING SYSTEMS  
WET & DRY

Spray Shop News!

Up to **20% SAVING** on material costs with the unique  
**ATE "Simple Paint" Air Treatment System**

A massive improvement in spraying economy,  
lower air pressures & far less contamination.

To prove this sensational process to you,  
we will install one in your sprayshop on a  
14 day sale or return basis.

**You only pay if you keep it!**  
Nothing to lose everything to gain!
